Join in West Virginia Family Read Week at Your Public Library

Your Town/City, W. VA. – The **YOUR LIBRARY** is pleased to announce West Virginia Family Reading Week: November 17-23.

During the week, libraries throughout the state encourage parents and caregivers to read with their children. Reading aloud stimulates speech and language development for young children. Older children can see the benefits with improved academic success.

Reading together also promotes family bonding. In the WV Family Read Week Guidebook, there are many activities for parents to spark interest and excitement for reading. The WV Family Read Week Guidebook is available for download at:

<https://librarycommission.wv.gov/Librarian/Documents/WVFRW%202019%20Guidebook%20-%20Final.pdf>

Along with these activities, families can visit **YOUR LIBRARY** to learn how to become a “Book Fiend” and participate in other activities to celebrate the week.

To learn more about West Virginia Family Read Week, the guidebook, and more visit **YOUR LIBRARY**.
